This week your heart words are not in your poem. Your heart words are warm, about, your, write, and tell. Have a parent call out your words. Only practice the words you misspell.	<u>Make a Snowman</u> Using three words you misspelled (if you have less than that, just do the word(s) you need), make a word snowman. Using the template provided, choose one circle for each word. On this circle, you want to try to write your word as many times as you can. If you write small, you can fit the word 7-10 times.	<u>Word Song</u> Create a silly song using your heart words. Set it to the tune of "I'm a little teapot" or "Twinkle, Twinkle Little Star."	Have a parent/guardian give you a short quiz on your heart words. Correct any you misspell.	
Sort your words aloud.	Sort your words aloud.	Sort your words aloud.	Sort your words aloud.	
<u>Writing Sort:</u> Write your words under the correct headers on a separate sheet of paper.	<u>Match Game:</u> Lay all your word cards face down. The first player turns over two cards, if they are a word family match, you keep the cards and go again. If they are not a match, turn them back over.	<u>Word Hunt:</u> Have scholar read/scan books, magazines or newspapers for 10 minutes, trying to find their words, words that rhyme with their words, or words that fit their pattern.	<u>Blind Sort:</u> Have a parent/guardian call your words aloud. Spell each word. Go over your words together to see if you misspelled any words.
