

Math Homework

Week of: January 26, 2015- January 30, 2015

Name: _____

Due: Monday, February 2, 2015

Hello HAL Families,

This week we will finish our pre-assessments for money and time. We will also begin exploring time and money during our whole group meetings. Scholars are continuing to master Math Daily 3 as we reintroduce Math Writing and Partner Math. If you are interested in volunteering during math time, please sign up for a time slot at. We would love to have you!

Directions:

Everyone must do the **required activity** listed.

1st Grade: Must do 1 additional activity. 2nd Grade: Must do 2 additional activities.

Please have a parent/guardian initial by the assignments you chose to complete.

REQUIRED	Math Homework Quarter 3:Week 3
	15 minutes of math technology. This time may be spent on a math app or math website. Suggestions: http://www.ixl.com http://www.abcya.com/
	More or Less (pg. 13)
	Counting Dots in Arrays (pg. 4)
	Pinch and Total: In order to play, you will need a bag or jar of coins.
