

Math Homework

Week of: February 9, 2015- February 13, 2015

Name: _____

Due: Tuesday, February 17, 2015

Hello HAL Families,

This week we will be taking our check-in money assessment to see how we're progressing in our money unit. We'll also be reviewing graphing, with a Valentine's Day spin.

While assisting your scholar with homework this week, encourage him/her to explain what strategies he/she is using. This helps your mathematician become aware of his/her thinking (metacognition).

*****If you are interested in volunteering during math time, please sign up for a time slot at <http://doodle.com/hacbss43qpbqbuxr>. We would love to have you!

Thank you,
Ms. Miranda

Directions: Everyone must do the **required activity** listed.

1st Grade: Must do 1 additional activity. 2nd Grade: Must do 2 additional activities.

Please have a parent/guardian initial by the assignments you chose to complete.

REQUIRED	Math Homework Quarter 3:Week 5
	15 minutes of math technology. This time may be spent on a math app or math website. Suggestions: http://www.ixl.com http://www.abcya.com/
