**Primary Literacy Elective Homework**

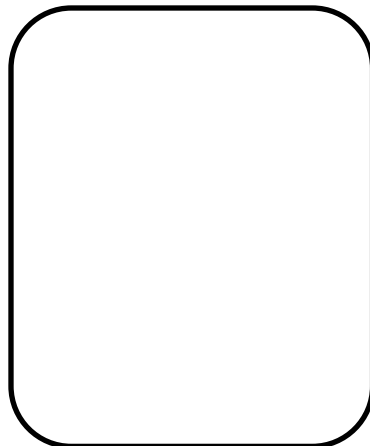

**Due: Monday, January 26, 2015**

In class, we will be studying the fairy tale *Goldilocks and the Three Bears*. This tale has been told in England for over 200 years, but the intruder was not always a little girl named Goldilocks. First, the intruder who entered the home of the three bears was a fox. Then the fox became an old woman. Later, the old woman became a silver-haired girl who eventually became the Goldilocks we all know today. For homework this week, I would like each scholar to illustrate Goldilocks's transformation over the years.
