Postcard Collection Homework

Due: Monday, November 18, 2013

This week we'll be studying postcards from California, Utah, and Arizona. Thank you for sending out your letters last week! The scholars have been thrilled to read them. I've attached a coloring page focusing on the Joshua Tree National Park in California. This week each scholar needs to write three things they observe from the picture. I've provided sentence starters below.

Using the picture of the Joshua Tree National Park, I noticed that the park has....

An example of an animal that lives in the Joshua Tree National Park would be...

I observed that the park has _____ plants.

1. _____

2. _____

3. _____
